

Learn the WEA way. Your way.

Welcome to the UK's largest voluntary sector provider of adult education. At the WEA, we believe all adults should have access to the opportunities of education, right on their doorstep. With 2,000+ dedicated tutors, 3,000+ active volunteers and supportive members, we spread our impact nationwide.

Together, we believe in access to adult learning for all. We believe in lifelong learning for all. And, we believe adult learning counts towards a better, fairer society for all.

Whether it's about feeling better equipped with the skills to take on tomorrow, or it's simply learning and debating ideas for the joy of it – we're here, together, to make good things happen in our communities and to our society.

All you need to bring is your willingness and excitement to learn.
